Background

The Contact making seminar (CMS) “Europeans meet in Caucasus” has been approved for funding by the National Agency of the YOUTH programme in Cyprus and will be hosted by the Georgian partner, the Youth Association DRONI. The CMS will bring together five youth organisations from programme countries and EU member states (Austria, Cyprus, Greece, Latvia and Poland) with five youth NGOs from non-programme countries in Eastern Europe and Caucasus (Armenia, Azerbaijan, Georgia, Moldova and Ukraine).

Aim

The contact making seminar has the aim to result in proposals for new projects in the framework of the YOUTH IN ACTION programme as well as other joint initiatives of the participating organisations. We want to identify the common needs, concerns and interests of the organisations involved and establish a framework for the exchange of expertise, ideas, visions and contacts between the partners.

The CMS will stick to the topics of the current campaign of the Council of Europe “All Different All Equal: European Youth Campaign for Diversity, Human Rights and participation”, with a special focus which will be related to media and communication technology: How can youth organisations use media and modern communication technology when addressing diversity and human rights and fostering the participation of young people in their societies?
