

Dear friends,

we invite you at the **17th National Round Table against discriminations**, an institution that is successfully held by “**ANTIGONE** - Information and Documentation Centre on Racism, Ecology, Peace and Non Violence” for the last seventeen years. The round table is also the **7th National Coalition Meeting** of the ‘**National Integration and Evaluation Mechanism (NIEM)**’ Project.

The meeting’s subject is:

**‘THE ISSUE OF REFUGEES’ ACCESS
INTO THE GREEK EDUCATIONAL SYSTEM’**

The First Section will address the theoretical approach and the design of national policy for the refugees’ integration via education, while the Second Section will focus on the identification of positive and negative aspects in the procedure and in the content of refugees’ integration via education. At the end of every Section, a dialogue will be held, with questions and statements.

The event will be held on **Monday 17th December 2018**, at **17.30 pm**, in the **ESHEA room (Akadimias 20 str., 3rd floor)**.

Your personal participation would be a great pleasure for us, as well as your sharing of the NIEM Project with colleagues and friends who might be interested in the aforementioned issues as well as in tackling of discriminations and racism.

You can also find attached the detailed Agenda of the Round Table.

With kind regards,

Nassos Theodoridis
